

AVAILABLE SPACES AT COMMON SPACE

PERFORMANCE AREA

The performance area is on the ground floor of the building opposite the workshop space. In the performance area we have two stages. A main cabaret stage with red curtains which is 2.7m x 2.7m dimensions. The stage at the back is 3.6m wide x 2.7m and can be used for performances or as a raised seating area. The seating area can seat up to 40 people socially distanced. Seating is around cabaret style tables to allow for personal bubbles.

Available Tech:

- Modular staging, the staging blocks can be rearranged to form podiums, a catwalk, a traverse style stage, etc
- Sound system
- Microphone
- Basic lighting rig

Amenities

- There is no heating in this space
- There is no running water on this level

Access

- We have a ramp available for both stages to ensure physical accessibility
- Disabled toilets are on the First Floor. We have a lift although please be aware unfortunately the lift dimensions do not meet modern day wheelchair size requirements. Lift dimensions: max door width 74 cm, max depth in the lift is 90 cm. *(image at the end of the document)

WORKSHOP AREA

The workshop area is on the ground floor of the building opposite the performance space. In the workshop area there is a 16ft x 4ft table which can be used for workshops, dinners and banner making. It can be used as one long table or separated into 4 modular tables. The table is accompanied by 8 benches which fit 2 people each with a capacity of 16 people at the table with one metre distancing or 8 people with two metre distancing.

Amenities

- There is no heating in this space
- There is no running water on this level

Access

- Ground floor access
- Disabled toilets are on the First Floor. We have a lift although please be aware unfortunately the lift dimensions do not meet modern day wheelchair size requirements. Lift dimensions: max door width 74 cm, max depth in the lift is 90 cm.

REHEARSAL ROOM

Dimensions of the room: 6m Wide x 9.5m long

The rehearsal room is on the first floor of the building. The room accommodates 10 people working socially distanced. It can be used for theatre/dance/comedy rehearsal or for classes, dance, drama, yoga, etc.

Available Tech:

- Projector
- Microphones
- Small PA for amplified music

Amenities

- The room has central heating and windows that can be opened to allow for ventilation.
- There is running water available on the first floor from the bathrooms.
- You will have a dedicated tea station with your own kettle, please bring mugs from home if possible to save the planet! Otherwise we have disposable cups available.

Access

- There is a lift to the First Floor. Please be aware unfortunately the lift dimensions do not meet modern day wheelchair size requirements. Lift dimensions: max door width 74 cm, max depth in the lift is 90 cm.
- There is a disabled toilet on the same level as the Rehearsal Room

THE LIFT

Lift dimensions: Max door width 74 cm, Max depth in the lift is 90 cm

The lift goes between the ground floor and first floor (which is where the disabled toilets are)

We do have a key for the disabled toilets in Oastler Market for use between 8.30-5pm Monday - Saturday
