COMMON WEALTH THEATRE & BRADFORD YOUTH SERVICE PRESENT

OFF ROAD

Off Road rewrites narratives around perceived anti-social behaviour. Removing stigma around quad and bike culture, sharing the other side of the story about police encounters and Bradford postcode rivalry. Off Road is a protest, a rave, a bike show, performed out on the street and inside a community centre, telling real stories of growing up through live music, verbatim text and film footage shot with smartphones.

Created in collaboration with Bradford Youth Service and co-created by young people and rap artists from Windhill, Wrose & across Bradford.

With thanks Carys Bose, Mick Charlton, Fakhra Rehma; Isaac, Sam and all the brilliant youth workers at Bradford Youth Service; Evie Manning, Ezra Nash, May Mcquade; Scuddy, Joe and everyone at Huggys Gym; Ross Elliot, Sohail Hussain, Taimoor Hussain, John Boloton, Laisterdyke Vehicle Dismantlers; Luke & L.J; Phill Hargreaves, The BD Festival Team; Chow Executives; Phillipa and the amazing staff at Windhill Community Centre.
